There is mains electric plus 9 solar panels with a solar system producing 4.5 kws

Enter into the living room / dining room with an open fireplace and air conditioning, with large patio doors onto the terrace. A semi open plan kitchen with breakfast bar and fully equipped kitchen with units all around, plus a door to a small utility room, and a door to the side of the house, ideal for unloading your shopping etc.

A feature door leads to the hallway and three double bedrooms, all with built in wardrobes, and air conditioning plus a family bathroom with large shower. The master bedroom also has a large dressing room and an ensuite bathroom with a large walk-in shower and air conditioning.

Central heating runs radiators throughout the house, with the boiler in a separate room outside adjoining the utility room.

In the grounds are a brick-built BBQ area with terrace, in a shady area under the trees is a wooden cabin which is used as a changing room and outside bathroom, close to the pool area. There is also a small guest house, currently used as an outside kitchen plus another car port. A small building houses the water pump (to give good pressure) and irrigation system for the gardens. At the rear of the garden is a large 4000m² fenced plot that is planted with pine trees.

The house is about 2 kms from the town of Aspe, on a quiet road with some other houses nearby, but the property is totally surrounded by trees and fenced, so not over looked.

This house is in walk in condition, ready to be enjoyed, but still offers scope to add more (garage, workshop etc) and make it your own.
